Subject: Assassination Records Review Board news release

Dear Eileen, Meagain !! Many thanksfor your note of 29 January which details further releases from the files of Joseph Califano. I would very much like to receive copies of those documents that are available from the Review Board. Perhaps you would be kind enough to forward them to me ? Please let me know if you require details of my home postal address. In addition, are the Board in a position to produce their report for the current fiscal year yet, or am I too early ? Perhaps you would let me know. I hope this finds you well and 'full of beans' and enjoying a prosperous New Year. Sincerely, Paul (Byrne)
