Good Morning Eileen! How are you? Just wanted to ask you a couple of questions -- hope you can fill me in on some details -- \*Can you tell me where the surveillance photos of the "mystery man" from the Embassy in Mexico are located? Jeremy made a reference to them in our first meeting -- but I am not sure if they are still with the Board-- or if they are now at the Archives. We would like to locate them so we can shoot them on tape next week. \*Can you tell me Jeremy's exact schedule for his trip to New Orleans on Tuesday June 2? If you know the flight times leaving DC -- arriving in NO -- leaving NO -- returning to DC -- and which airport he will be departing and arriving from -- that would be very helpful. I am trying to coordinate camera crews in two locations so we get optimum coverage of the transfer of the Connick papers. Feel free to fax me his schedule if you like -- 301-718-0110 -- if that is easier. \*Any luck confirming the interviews with Jack and Kermit? Do you think they will be available to us on Thursday June 4? Would they be willing to stay overnight for us -- if we ran out of time? Of course we would foot the bill for that if it happens. But I am hoping that we can shoot them on Thursday. Todd and I are travelling to Boston tomorrow (Friday) to interview Richard Trask. He has been very helpful -- and we are anxious to meet him in person. I also spoke to Tom Samoluk who also provided very helpful info -- thanks for putting me in touch with him. If you need to reach me Friday -- please page me at 888-618-0987 -- or you can leave me a voice mail or you can e-mail me and I will check it tomorrow night when we return from Boston! There are just too many ways to communicate! Thanks again for your help -- we are very excited about the show -- and we could not have gotten this far without you. You are now part of the Indigo Films team! Have a good day. Nan nwaffen@erols.com
