Subject: Help, please
Ms. Sullivan, The person whose email I sent you yesterday called me last night asking how he can get in touch with you regarding the information he talked about in the e-mail. I haven't spoken to him directly, yet. He left a message on my machine. He sounds a little desperate, Eileen. He is either nuts or really thinks he has something important. You have his email address. You can contact him directly or, if you wish, I will act as a go-between. If he can prove what he says he has, it is very, very important. He implied he has photos to back up his story. I hate this kind of stuff. Dave Dix 612-729-4233
