Eileen,I have not received any e-mails from you this morning, so I guess the whole PCanywhere thing didn't really work. If you get this message, send me a regulare-mail (e.g. "Hi, how are you?) to LADenk@aol.com and see what happens.Thanks,LauraP.S. If you don't get this until Monday morning, no big deal. I'm probablygoing to mosey on into the office at some point, anyway. Thanks.
