Subject: supply room

As most of you probably noticed, Christina, Chet and I moved the contents of the supply room to the phone/paper closet. All of the supplies miraculously fit! However, the room is now very cramped and keeping it neat and organized will be extremely important--Chet and I need to be able to get to the back of the room at all times to work on phone/computer hook-ups. Under penalty of death, please make sure that you do not give the code to the room to anyone other than admin and senior staff (Tom, Jeremy, David) and that you keep the room neat at all times. Thanks for your cooperation in advance.
