**Subject:** FBI Stats

David just came in to ask whether I have had a chance to work on the FBI stats, which, of course, I have not done. Did you look at that letter from Tom? I hate to pass the buck on this one, and I would be happy to write it up, but you really are the best person to talk about what happened in July since I wasn't here. Why don't you work on it now and then, when I finish the referral letters (I'm almost done), we can talk about it. We should try to get it to David before his presentation at 12:30.
