Subject: Conversation with Steve Tilley Regarding Tunheim Meeting With Deputy Archivist on Ballistics Issue

Jeremy:I spoke with Steve Tilley today regarding scheduling a meeting on the ballistics testing issue. Steve said that the Archives would like to have a meeting, but that it will probably be with Lew Bellardo, Deputy Archivist and not the Archivist. Depending on what the Board's schedule is for October 14-15, we might be able to do the meeting on one of those days. If you are going to be away and would like to attend this meeting, we could ask Jack if there is any chance that he would come to DC for the meeting on another day, hopefully in the near future.I guess we will have a better sense of things after the conference call with the Board tomorrow. I told Steve I would get back to him in a day or two after we figured out Jack's availability.Tom
