Subject: Church Committee Administrative File Memo

Please review the attached memo. I would like to to have the Board vote on all of the documents not listed here as NBR-in-full at the meeting next week. As far as Joe and I are concerned, this memo is a final. I told the FBI that the documents listed would be discussed among us as potentially not 'NBR-in-full' documents, and that we would write them a memo as to what should be processed under the core-file standards. Enjoy!
