Subject: FYI - Dorman, Newsday, Article on Funtner, Reported Alpha 66 Contact

Mike Dorman of Newsday is writing a story on the Funtner/Alpha 66 document and the similarities to Maurice Bishop. He is not going to mention Funtner by name, but will tell the story of the release of this document and raise the question whether or not this person is Bishop. Dorman does not know when the story will run.
