Subject: Robert Adler (1-23-98 telephone conversation)

As I stated in my voice mail to you, I took notes of my conversation with Robert Adler. These notes appear in the following document: e: \wp-docs\ADLERA23.TEL? If you wish to discuss these further with me, I will be home on Sunday. My home number is (703) 538-0993. Otherwise, I will be in the office on Monday morning after 10:30 (essential dental appointment). I told Adler that I'd get back to him by Monday. Adler did fax me a copy of the Consignment List for the Guernsey's auction. He also attached a cover letter expressing his foremost concern. I will leave copies of these documents in your mailbox.
