**Subject:** Bob Clark/discussion topics for tomorrow's meeting  
I spoke with Mr. Clark this morning. In general, he would like a progress report, but he would like to discuss the following issues specifically:1. John Abt -- status of our request to the FBI to get files on Abt released.2. Gus Hall -- wouldn't it be interesting to talk to him?3. George de Mohrenschildt -- CIA files on him4. Have we found anything out about the KGB and what it knew about Oswald? Did the KGB have any contact with Oswald?He concluded by stating he believes that while the Review Board is releasing a lot of records, these records do not say much. Clark does not believe that we are releasing any information that would dispel any notion of a government cover-up.
