**Subject:** Church Committee Records

I have arranged to meet with Jim Wolfe (Security Officer for SSCI) on Friday at 10am to (1) confirm confirm the universe of transcripts that have not yet been located by the Senate Intelligence Committee and (2) to inspect the Church Committee materials in secured storage at NARA.. We plan to meet at NARA and Wolfe is getting authorization for my access to the original Church Committee materials. It is my hope that the materials selected for the JFK Collection are still tagged in some manner so that we can easily see what was not placed in the Collection. I told Mr. Wolfe that I wanted to do a preliminary survey of the materials to ascertain whether a more detailed inventory needs to be undertaken. Let me know if you want to go to this meeting.
