Subject:	Chapter 6--clarification
Body:	Am I responsible for pulling all of the submissions to Chapter 6 together and incorporating them into one first draft or are Doug, Eileen, and I supposed to work up the first draft as a committee? My preference is that one of us have the responsibility for the first draft. Writing by committee is a headache waiting to happen.I sent around an e-mail earlier today asking for estimates on when people hoped to be finished with their portions of Chapter 6. The results are as follows:I hope to be finished early next week with my submissions. (Though some parts are still outstanding.)Eileen is close to finished with her submissions. (Again, some parts are still outstanding.)Laura and Kevin will be ready late today or tomorrow.Ron is finished.I have not heard from Irene or Kim yet.Doug has not really started due to pressing other responsibilities. (I can forward his e-mail to you if you wish.)
