Subject: CIA Database

I ran out of SCIF time to complete the CIA database conversion here is whats left to do.Delete the two .DBFs in the C:\DAVID DIRECTORYthat will free up space for the next stepRun Dbase in the C:\Dbase DIRECTORYtype DO MERGEFBthat should merge the current FBIDOC2.DBF into the file NEWDOCS.DBFOnce its finished use NEWDOCS and copy to CIA.TXT TYPE SDF(you may need to delete fbidocs2.dbf for this step.)Once its in CIA.TXT Import into the CIA Database in Notes Use Structured Text the the file C:\DBASE\DOCS.COLThats it.Sorry I did not finish, I was not feeling well Monday morning and got in late in the afternoon.Please page me with any questions.
