I continue to be very concerned about how [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] is handling Secret Service matters and how [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] is not handling FBI matters. I urge you to take these issues very seriously for the sake of the Review Board and for the sake of [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]. I believe that either you or I should take the direction over [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] handling of Secret Service records. Although I do not particularly wish to be responsible, I am willing to do so. I believe that we will be irresponsible if more directed action is not taken. I am also very concerned that [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] is not doing the work that is assigned to [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)], and I believe it can easily contribute to problems in staff morale. There is a tremendous backlog of FBI records, and everyone on the team should be contributing to the process. [Screened by: NARA RD-F on October 24, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] is burdened by a great deal of work which he does well. Because [Screened by: NARA RD-F on October 24, 2016 according to the John F.
