**Subject:** Conversation With Lindy Boggs

David: Since it had been a week since I spoke to Lindy Boggs and faxed her the David Schoenbrun letter with the reference to a Hale Boggs diary that Max Holland found at Tulane, I called her today. She told me that she had not spoken with Tom Boggs yet, but assured me that she had tried and will try again to talk to him. Mrs. Boggs again stated that she had no knowledge of a written diary or one that may have been taped. Her thought was that Bill Meneray, head of Special Collections at Tulane, might know about the diary. I explained that Meneray does not have it and suggested that either she or Tom Boggs would know about the diary, if it existed. I will wait a week or so and then contact her again, if I have not heard from her. Tom
