Subject: FYI - Max Holland and Boggs Tapes

Max called me today about an inventory he received from Tulane on Boggs tapes. They appear to be public statements that Boggs made throughout his career, starting in the early 50's. What has intrigued Max is that there is a gap for late '63 and '64. Since these seem to be public statements and not evidence of a private taped diary, I don't think it is evidence of anything in particular. However, Max is going to send it over to me. Meanwhile, Dave Montague is going to try and get a work number for Gary Hymel, former aide to Boggs.
