Subject: Brief Conversation with Miriam Nisbet on Ballistics
Because it had been exactly two weeks since I spoke with Miriam Nisbet about the ballistics testing, I checked in with her today. Miriam was in a meeting and said she would call me back tomorrow. However, she did tell me the following:1. She has a draft of a letter to you on her to desk;2. It will probably go out tomorrow; and3. She thinks that the letter will say the same thing she told me two weeks ago, except that it would be in writing.
