Subject: List of Witnesses for Schaffner
David: I have attached a draft witness list of for Schaffner. I did not have complete information (addresses and telephone numbers), but I think the list that is faxed to Schaffner should make it easy for the Committee to contact the people we have suggested and also contain notes about why we have included each of them. A couple of specifics: Page Miller - need address and telephone number Athan Theoharis - You were going to check with Jeremy John Newman - need address and telephone number NARA - need specific info FBI - need specific info CIA - need specific info Please call me when you have looked at the list. I should call and fax to Schaffner by the end of the day. Thanks. Tom
