**Subject:** My Departure This Afternoon  
I will be leaving the office at 4:00 p.m. today to buy a cheap photographic light table to view the alleged assassination film brought to our attention by a Brookline, MA woman, Theresa Medina. I will check my messages and will have my portable phone on. The number is (508) 246-3089. After consultation with Dick Trask I decided not to attempt to run the film through a projector. Instead I will use the light table and a loop. The quote from Trask that did it: "Do you want to go down in history as the man who melted the Babushka Lady's film?"
