Subject: Conversation with Jennifer Rouse, Treasury, Postal Subcommittee, House Appropriations Committee
I called Jennifer Rouse today and she told me the following:1. The Review Board is in the Treasury, Postal appropriations bill reported out of Subcommittee yesterday for the amount requested, \$1.6 million.2. The full Committee mark-up is not yet scheduled, but it could happen early next week. If the Committee reports the bill at the beginning of next week, House floor could possibly occur before end of the next week, the last week the House is in session before the August recess. (She noted that the House is in session through Friday, August 1st.3. There was no discussion about the Review Board at the mark-up and she has heard no indication of opposition from any Members.
