**Subject:** Mail to the U S Department of State

I had in the past been sending mail to Peggy Grafeld using only her name, U S Department of State, 2201 C Street NW, Washington, DC 20520. This month I have had two letters returned saying it was not deliverable. This last envelope returned states: "Insufficient Address! U.S. Department of State requires Foreign Service POST NAME (or) Office Designation & Room #." This took 9 days to go over there and come back. Earlier this week I was given a "designation" for Peggy Grafeld. It is A/IM/IS/FTC Room 1239. David suggests we have a courier take our letters to the State Department - but the courier will probably need a "designation" for whomever you are addressing also.
