Subject: Health Benefits Open Season

Open Season is now through December 9, 1996. This is your opportunity to change or begin enrollment in any of the designated health plans. I will distribute a memo to each of you explaining your options. The booklets of different plans will be located in my office on top of my file cabinet. Some plans are changing their premiums, other plans are no longer being offered. If you would like to change your enrollment, please take a form and return it to me prior to December 9. Thanks.
