Subject: Staff meeting on Tuesday, October 21 at 4:00 p.m.

From Tom.....Please be advised that the staff meeting will be held at 4:00 p.m. on Tuesday, October 21 in the conference room. Although we want to make it routine that the staff meetings will be on Tuesday mornings, it is scheduled at the end of the day tomorrow due to an important, long-standing a.m. meeting that involves some of our people and agency people coming into the office. Tomorrow's meeting will last no longer than 30 minutes. Thanks.
