Subject: Shipments to NARA

Cathy and I have established an area in the SCIF in which to place Board processed documents ready to be sent to NARA. The area is located under the mail slot table (for lack of a better description) on the right side of the SCIF by the computer. Anyone placing documents in this location will be responsible for the following:-
Creating and signing an itemized receipt for the contents- Sealing and/or double wrapping boxes for shipment- Labeling boxes "ATTN: Martha Murphy" or whomever you're sending the shipmentPlease see Cathy or myself for additional directions before placing items in this area.
