Subject: heightened security procedures

This note is not to alarm anyone, but rather to reinforce DOJ security procedures. During heightened security times the following procedures should be followed by all DOJ employees (and DOJ tenants--us!) 1. Draw all blinds and draperies to prevent flying broken glass from a possible explosion. 2. DO NOT wear your govt. IDs when outside the building. 3. Be aware of any suspicious packages, people, or vehicles in or around the building. 4. ALL IDs will be checked at the guard stations. Again, this is not to make anyone panic or to distract you from your work but please follow these procedures. If I receive anymore info from DOJ, I will pass it on.
