Subject: Final version of proposed guidance for Federal Register publication

Based on the Board's requests at the Wednesday meeting and the staff comments I've received on the draft guidance I posted yesterday, I've prepared a final version of the guidance. It's posted again on the "g" drive, same file name ("deffinal.wpd"). I've also prepared a hard copy redline that shows the changes made from the earlier draft provided to the Board. Please let me know if you want a copy of the redline version. Also, please let me know if you have any additional comments before we send it to the Federal Register.
