**Subject:** computer move

Chet--If all goes well, you and I should be able to come in on Saturday and move computers and hook up phones. Let me know if this sounds good to you. We can confirm a time later in the week when we know for sure that it's a go. Also, when I was speaking with Beth earlier today she wanted me to let her know if you will be working on Saturday so can you please tell her that as of right now it's a yes. Thanks.David--I assume that I can get a comp day for this?
