**Subject:** Mary McAuliffe vacation plans.  
Before Mary accepted our offer, she said that she had long standing plans for a three week vacation in September. After checking with David, I told her that that would be okay. She just called to say that the September plans are off, but she and her husband would now like to take their vacation on June 17-25. I told her that I thought that would be okay, but that I would let her know promptly if there is any problem. Please let me know ASAP if you have any objections.
