**Subject:** Questions for Board Hearing next week

The Board will be holding a public hearing in Boston next week. The following people will be testifying: Dick Russell (Man Who Knew Too Much); Priscilla Johnson McMillan; Richard Trask (expert on photographs). Please think of questions that the Board might pose to these witnesses. Remember that the topics are the location of additional records and the interpretation of records. Please give me your draft questions by Monday

afternoon or early Tuesday morning. Thanks.
