**Subject:** Last week's letter to FBI  
In reading Phil's agency contact entry with the FBI today, I noted that a letter was sent from you to Terry O'Connor last week. From the context I'm assuming it's a request for access to FBI materials under the Act, utilizing our powers for additional records and information . Could I please have a copy for my files so I can keep up to date on agency compliance? Thanks!
