Subject: Lotus searches

There are several Lotus searches that would be useful. The variations reflect different needs and the different ways the agencies identify their documents. I think it is a good idea to make all of the searches available for all of the databases.1. Agency, Restriction, Agency File Number, Record Series2. Agency, Record Series, Agency File Number3. Agency, Agency File Number, Record Series4. Agency File Number5. Date, To, From, Originator, Agency6. From, To, Date7. To, From, Date8. RIF9. For CIA only: Record Series, Comments (first 12 characters only), RIF
