**Subject:** Several items

1) Do you know why I show 2 items in the Anne Buttimer address book? I didn't put anything in there and I can't find anything in there but it's been appearing that way for the week I've been here. More importantly -  
2) Eileen will be my administrative support person for the time being. It would be helpful if she and I could share a directory. 3) Because Eileen will be helping me Tracy suggested Eileen have access to the investigative database we've been discussing. Are these two requests feasible?Thanks....
