Subject:	Thanks!
Body:	Thanks for all your hard work and editing assistance on the briefing memo on sources and methods. You did a very thorough job very quickly, and the board members have told me that they find this background information to be very useful to them as they consider the sources and methods issue. Mary has asked to give copies to the CIA team as well, so you can see that all that library work was not in vain! Thanks again -- keep up the good work.
