Subject: Investigator Candidates

FYI- I'm interviewing Robert Ireland this Wednesday at 2:00 pm here. He is a 1988 graduate of Drew University and since 1990 has been a investigator with the FTC, Bureau of Consumer Protection. As I mentioned to you this morning I'm interviewing David Montague this Thursday evening off- site. Another applicant, called this morning in response to my letter. Gary Gaines is an attorney and was an FBI Agent for four years. He worked for the NY Stock Exchange for three years and for the past three and one-half years has run an arbitration and investigation firm. He lives/works in NYC and has no current plans to travel to DC. If you agree I will meet and interview him somewhere in NJ on a Friday or a Monday morning (since I'll be there anyway.)
