Subject: Re: A&R Name Identification Aid

As I mentioned to you yesterday Gene Wheaton mentioned Irving Davidson as someone involved in the CIA/ Cuban assassination plot. Davidson's name appears on page 18 of your April 3 draft. According to Wheaton, Davidson is a non-practicing DC attorney in his 70's. He is "the bag man for money for the intelligence community in DC." He runs an organization called the Timber Center which is really a front for arranging payments for CIA, NSA and Pentagon intelligence operations. Davidson is a friend of Jack Anderson's and was indicted with Carlos Marcello in the 1980's on a Teamster's kick-back charge. Sheryl and I looked for him in Martindale's on Nexus. There was no listing.
