**Subject:** Samuel Berzon

On 2/7/95 Mr. Berzon wrote to Jack and offered information regarding his work as an investigator for Jim Garrison. Jack wrote back on 2/14/95 and asked for more information. I made contact with Mr. Berzon today. He told me he sent Jack 15 or 16 pages of documentation in response to Jack's request. I have not seen the 15 or 16 pages. Is there someplace in the office where this might be filed? If not will you inquire of Jack as to whether or not he has this material. Thank you.
