**Subject:** Interview with General Oleg Kalugin  
Carolyn Carpenter and I will be interviewing Oleg Kalugin, a former General in the KGB, on May 17. He rose to become Chief of Counterintelligence. At the time of the assassination he was a KGB case officer in New York City under official cover. Carolyn helped me arrange for the interview. I have notified the FBI of the interview and I am contacting Justice on the advice of Terry O'Connor.
