Subject: Zapruder
I spoke with Miriam Nisbet today. She preliminary indicated that NARA would concur with the approach to this matter we discussed last week. I am to talk with her and Chris Runkel from NARA's Office of General Counsel next Tuesday (Miriam's going out of town till then). They will give me some additional information and we will devise a plan of action that can be presented to the Board next week. Please let me know if you have any questions.
