Subject: Francis Fruge

I received a telephone call (voice mail message over the weekend) from a Ludvig Fruge, who may or may not be part of Francis' Fruge's family. Ludvig's number is 318/332-6982. The number I have for Francis, at which I left four telephone answering machine messages last week, is 318/332-3227. I will either turn this over to you or will continue my attempts to contact. Let me know.
