Subject: National Archives report on the Secret Service

I am thinking of writing a letter to Trudy Peterson asking her to give us a copy of a draft of a report. Bonnie Curtin, a management analyst at the Archives, told me she has a draft of a report on Secret Service records and their retention. She had told me that her report would be available in the Fall. Then I spoke with Marc Wolf, Appraisal Archivist at the Archives, who said Curtin's report is now being circulated for comment. I asked if I could see it, and he mentioned that Trudy Peterson would have to approve our request to see it before it is formally a National Archives publication. I am thinking it might be better to ask Trudy Peterson now rather than wait for the transition that seems to be in the offing.
