**Subject:** Lee Coykendall, investigative candidate

I called Lee this morning after our conversation yesterday. She said she will be interviewing a day care provider in the next couple of days and will call me Monday morning to see if it makes sense to go the next step to come in to meet you, Tom, Jeremy, etc. I asked her to fill out the 171 if she even thinks she may be interested as we'd need that as soon as possible. I've put a copy of her resume on your desk in the meantime.
