**Subject:** Anna Nelson Call and Confirmation on AHA Conference

Anna called and advised me of the following: The AHA conference involvement for the Review Board has come through. It is a round table format for their conference next January in Atlanta. Anna did not give me any dates or specific information. Nor did she did not ask me to do anything, she just wanted to let me know. As I was not involved in any conversations with the Board regarding this matter, this is the extent of my knowledge. P.S. Anna did say that the engagement was during the first weekend in January, 1996.
