Subject:	Good news on "openness"
Body:	1. I attended the opening session of the CIA conference on the KH-4 this morning. Director Deutch said a few words and answered some questions. He said he was committed to telling more of the story about the intelligence community, as long as it does not compromise sources and methods.2. In response to a question about NSA, Deutch said that NSA should now be opening up as well. He observed that NSA has an interesting story to tell.3. For those of you with TK clearance, you will be delighted to know that you can now say the word "RUFF" without risking a long jail term. I personally have felt constrained since receiving my briefing, so I will now get it out of my system: RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF RUFF.
