Subject: Passwords

My login in name is, of course, "swalter". My secret codering computer password is "mali89" (the name of my cat and her year of birth). My voicemail code is "[Screened by: NARA RD-F on October 12, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]" (kind of my social security number). I've changed my voicemail message, but you should probably still monitor it for calls. Cheers!
