**Subject:** Paper for Steve Tilley

I've asked Eric this question also, since I know he's done this in the past, but is there any procedure I need to follow before grabbing a ream of paper to take with me up to Archives II. Since we use Steve's copier a great deal, I gather we occassionally give him a ream of paper to replenish his stock, which we regularly diminish.P.S. Eric tells me he went through Eileen last time, if that helps.
