Subject: Louisiana Contacts

This addresses our conversation Tuesday afternoon. Do you want me to contact Bob Courtney now or do you want to wait until Jack contacts his counterpart? Also, shall we wait another week or so to hear back from the State Police before I contact Ronny Jones?To: Anne Buttimer/ARRBcc: From: Tom Samoluk/ARRB Date: 06/16/95 12:25:04 PMSubject: Louisiana ContactsI should have passed this along to you earlier, but, several months ago I had a conversation with my former counterpart in the Louisiana A.G.'s office, Rusty Scabo, Communications Director (504) 339-5137. I was really looking for guidance on potential hearing sites, but did ask him about records in the A.G.'s office. My notes reflect that he said that he assumed any relevant AG records would have been archived with the Louisiana Secretary of State's Office. He said that Secretary of State Fox Mkithon (sp?) is an "avid history buff." He recommended that a good contact person was Bob Courtney, the 1st Assistant in the Secretary of State's Office. The number is (504) 342-4479.I also asked about a contact at the State Police. He mentioned a man that he knew, Ronny Jones, Commander of Troop A, (504) 295-8500. I'm not sure this person would know anything about records, but Scabo suggested that he might be helpful in cutting through the bureaucratic maze of the State Police.
