Subject: Church Committee staff list, HSCA staff list for typing into appropriate Agency Profiles/Contacts
Is Jerrie ready to start to type the names of the HSCA staff members from the list Kevin Walsh gave us and the Church Committee list I found in the back of volume 4. This would at least get the names in the database, Jerrie could add the addresses and telephone numbers and additional names as we get them. This would help me keep track of our name by name progress, as well.
