Subject: Press Release on Board Voting to Release CIA Records

I have attached a draft of a press release on the Board vote. Assuming the notification goes over today to all relevant parties, I think we could put a release out tomorrow, even if it isn't going to be in the Register until Thursday or later. Please review the release and advise me of your thoughts. I drew heavily from Jeremy's draft notice. We may not get a lot of press at this stage, but I think we should get something out there.
