Subject: INS contact letter
Getting a contact letter out to various components of DOJ, including INS, is back on the front burner. The plan is to send a brief, please-designate-a-contact-person letter to the head of the agency, and then follow up on status of compliance with the designated contact. Kevin has a draft letter for the DEA that, possibly with a little fine-tuning in the light of INS's response to Bill Joyce's 1994 letter, should be readily adaptable to INS (and other targeted components of DOJ).
